**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep Bridge 2 Broadband. We need to be able to select a competitive internet service provider. We want to keep our competitive DSL provider.
We want more competition because as older consumers we need local service and troubleshooting. Also, as we are on a fixed income we cannot incur price hikes that will increase the cost of internet and telephone services.

Please preserve this choice for us.

Thank you
